

GORDON COLLEGE GIRL'S LACROSSE CAMP

We hope that you and your child are looking forward to the Gordon College Girl's Lacrosse Camp this summer. The staff is working hard to prepare for camp and we are excited to get things underway!

Here are a few key pieces of information you need to know at this time:

- **Health Physical:** A report of a physical examination (complete with health history) conducted within the last 24 months as well as an immunization record completed by your doctor will need to be submitted no later than two weeks prior to the start of camp. Gordon does not require that a specific form be used, only that all information is submitted. Doctors will usually mail or fax these upon request.
- **Emergency Contact/Camper Release/Epipen Form:** Each camper is required to have an Emergency Contact, Camper Release, and Epipen (if applicable) Form on file. Please complete these forms and return them no later than two weeks prior to camp.
[Emergency Contact/Camper Release/Epipen Form](#)
- **Schedule Note:** Please note that *camp will conclude at noon on Friday*. Monday through Thursday camp concludes at 3pm.

Campers may not participate until we have received each of the above items.

Further information about camp will follow as the date approaches. If you have any questions, please feel free to contact us using the information provided below.

Jane Ward
Head Women's Lacrosse Coach
Gordon College
255 Grapevine Road
Wenham, MA 01984
