

## **Billy Mohl Baseball Camps COVID-19 Guidelines**

*In these unprecedented times, we recognize the importance of our role in establishing new operational procedures and guidelines for the phased re-opening of athletic fields and summer camps that will benefit the health and wellbeing of all our campers.*

*The new operational procedures and guidelines listed below adhere to guidelines of the CDC, local and state health departments, and best practices of the Florida Recreation and Parks Association. The objective of these procedures and guidelines is to maintain a safe and healthy environment while continuing to help you all create memorable experiences that will last your participants a lifetime. These operational procedures and guidelines apply to all organization members, participants, and anyone else involved in their event.*

- STAY HOME IF YOU ARE SICK!
- Temperature will be taken every morning before camp.
- Campers with a temperature of 100.5 and higher or symptoms will not be allowed to participate and sent home.
- Parents are not allowed to stay and watch (drop off and pick up only) by Land O'Lakes Recreational Center Guidelines.
- All campers/parents and coaches must sign a waiver prior to camp.
- No team water coolers - Campers bring their own drinks and snacks and should not be shared.
- Hands will be sanitized before, during and after camp.
- Hand washing stations will be available and used throughout the day.
- No sharing of equipment will be allowed.
- Baseballs will be sanitized before, during and after camp.
- We will follow all CDC social distancing guidelines.
- Follow all CDC safe distancing guidelines, including but not limited to:
  - No use of dugouts or team benches that do not meet distancing requirements.  
Recommended to use the sidelines/foul lines to maintain proper distancing.
  - No player contact (Handshakes, high-fives).
  - Team huddles must allow for safe distancing.
- Masks are optional, not required.
- Please note that the CDC states that older adults and people of any age who have serious underlying medical conditions might be at higher risk for severe illness from COVID-19.
- Camp will consist of drills, skill development, games, and fun!
