

COVID PROTOCOL FOR SUMMER CAMPS

This protocol was created by the Athletics COVID-19 Return to Play committee and is based on state and local health guidelines. It is the recommendation of this committee that the College in consultation with the Athletic Administration assign and pay a stipend for a Summer Camp COVID-19 Health Care Administrator to be the liaison between Camp Directors and their COVID designee, the College, local Health Care Providers along with state and local officials. All Camp Directors must follow CDC Camp Guidelines that accompany this plan.

All camp directors must submit their camp plan to the Summer Camp COVID-19 Health Care Administrator at least three weeks prior to the first date of camp. The plan must be approved prior to the start of each camp.

I. Prior to Arrival on Campus

A. Not Vaccinated

- Isolate within your COVID “bubble” within 72 hours of arrival
- Overnight campers and all staff members (overnight and day camps) COVID Test within 72 hours of arrival
- Overnight Campers and all staff members (overnight and day camps) must show proof of negative test at registration or proof of being within ninety-day window of positive test
- Day campers utilize symptom checker at registration; testing not required
- All campers daily temperature check and symptom check
- Anyone reporting symptoms (campers & staff) must stay home

B. Vaccinated

- Show proof of completed vaccination
- Two shot vaccinations will need to show proof of both shots
- All clear 14 days post-second vaccination

II. Registration

- Process should be outside weather permitting
- If indoors, use Hazlerigg Gym, follow capacity limitations, maintain social distance, wear a mask and stagger registration times to avoid crowding
- The registration period will need to be extended by at least an hour and the campers should be assigned a specific time slot to check-in

III. Camp Protocol

- Camp teams/group should remain the same throughout the camp, multiple groups can be in a space if the space allows for appropriate physical distancing – utilizing outside space is preferred
- Meetings should be held outdoors; in the event of inclement weather, capacity limitations should be followed inside along with mask wearing and social distancing for meetings
- Masks will be worn for any and all indoor activities
- Campers participating in outdoor practices and games are not required to wear masks; however, those on the sidelines are required to wear masks at all times.

- Campers participating in indoor practices and games are required to wear masks at all times
- Social Distancing and mask wearing are required for those on the sideline for indoor and outdoor practices and games
- Campers will be required to bring their own water bottle and may not share at any time

IV. On-Campus Protocol

- Masks and social distancing required at all times
- Room, Hall and Dorm Assignments will coincide with on-field groups
- Each team/group will be escorted to and from meals and all participants must remain socially distanced while eating
- Two campers per room is permitted
- Campers are not permitted to leave campus at any time

V. Overnight Protocol

- There must be a dorm supervisor (full-time) in each dorm at all times in addition to the RA's on each hall.

VI. Parent Protocol

- Parents are permitted to accompany their child during the move-in and move-out of dorms
- If parents need to come into the dorm at any other time besides move-in/move-out they must be approved and accompanied by the RA.
- Two family members are permitted to attend games each daily

VII. ILLNESS OR SYMPTOMS

- Campers will be temporarily isolated
- Isolation Rooms need to be reserved in the event of symptoms or illness
- The on-duty DPS officer can transport sick students to the hospital in the COVID van
- Parents/Guardians must bring camper home

VIII. CDC AND LOCAL GUIDELINES

- Camp Directors and COVID Designee will monitor, follow and update protocol as appropriate.
