- All refunds must be approved by the Camp Director and are processed on a case by case basis. You will be notified once a final refund decision has been made.

Clinic Lunch

- Athletes will be provided with lunch.
- Your children will be well-fed. If you choose to send snacks with them. We ask that these snacks be limited in quantity and be healthy in nature as past experiences have shown us that campers tend to overindulge. Thus, resulting in stomach-aches and ‘sugar highs’ that are unpleasant for all involved. Parents: When packing snacks for your children to consume, please be sensitive to other campers that may have peanut allergies. To ensure the health and safety of all campers, we request that you avoid sending peanut products with your child.

Covid Protocol

- All attendees either need to have a hard copy of their vaccination card or a negative test within 72 hours. The test can be either PCR or rapid test however it must be completed by a healthcare facility, at home tests that are not reviewed by a physician will not be accepted.
