

**COVID-19 Parent Consent Form for Monte Lee Baseball Camp 2021:**

**List Name(s) of Child(ren) Attending Monte Lee Baseball Camp:** \_\_\_\_\_

This COVID-19 Consent Form supplements the Clemson University Parental Permission Form and Release of Liability for Youth Camps or Programs.

Clemson University's mitigation plan for 2021 summer camps includes COVID-19 testing. If your child, or a close contact, tests positive for COVID-19, you will be contacted immediately and required to pick your child up as soon as possible from isolation/quarantine.

Although important, Clemson University's COVID-19 mitigation plans cannot eliminate the potential for exposure to COVID-19 or any other illness while at camp.

**Acknowledgements:**

- I understand that Clemson University requires a signed consent for Covid-19 testing. I voluntarily agree for my child to be tested for COVID-19 according to Clemson University's COVID-19 mitigation plan for summer camps.
- I assume complete and full responsibility to take appropriate action with regard to my child's test results and agree to seek medical advice, care and treatment from my healthcare provider if I have questions or concerns, or if my child's condition worsens. I understand the testing unit is not acting as a healthcare provider, and this testing does not replace treatment by a healthcare provider.
- I also authorize the laboratory performing testing for COVID-19 to release the results of my/my child's test to Clemson University for their use in facilitating treatment for me/my child if necessary, and for use implementing isolation, quarantine, or other changes to my/my child's camp experience, and for contact tracing in order to reduce further infections.

I, the undersigned, have been informed about the test purpose, procedures, possible benefits and risks. I have been given the opportunity to ask questions before I sign, and I have been told that I can ask additional questions at any time. I voluntarily agree to this testing for COVID-19.

I have read both pages of this Parent Consent Form, I understand it, and I sign it voluntarily.
